International Access Authorization Request

Complete and submit this request prior to commencing travel outside the boundaries of the United States and Canada, when access to computers at DoD HPC Shared Resource Centers during such travel is required.

Name:

Internet Email Address:

Phone (Inc. country and area code) at location where computer access will occur:

Citizenship:

Kerberos principal:

Shared Resource Centers and Accounts at each Center to be accessed (list, or ALL if all existing DoD HPC accounts are to be accessed):

Date when access from outside United States and Canada will commence:

Date when access from outside United States and Canada will be completed:

By completing and returning this request to the HPC Modernization Office, I agree to the following statements:

1. I will maintain possession of the access control software while outside the boundaries of the United States and Canada, and not transfer or share the access control software or a copy of it with any other person.
2. I will comply with the provisions of Export Administration Regulations of the United States Department of Commerce, codified as Title 15 CFR Parts 730-774, http://w3.access.gpo.gov/bis/ear/ear_data.html .
3. I will obtain an export license if required.
4. I will not download this software if I am located in, or if I am a citizen or national of any country for which the US government prohibits the export of encryption source code, (see Title 15 CFR Sections 734(b)(3),and 740.13(e)(4)).

Notify the webmaster@hpcmo.hpc.mil prior to resumption of accessing DoD HPC Shared Resource Center computers from within the boundaries of the United States and Canada.

Verification of User Authenticity

I hereby confirm that this user is known by me and swear that the trustworthiness of this user is equal or greater to that necessary for access to Department of Defense computers.
